Companion Product:

## Deck Purge Box

DPB-107

The patented Deck Purge Box dynamically removes moisture vapor from undersea housings and provides a vacuum leak test to check seal integrity.

The Deck Purge Box Hose (Blue) connected to the Exhaust Hose Adapter (Red) (DPB-213).

The Exhaust Hose Adapter (Red) connects to the Global Ocean Design Deck Purge Box to provide a max 5psi positive pressure to assist with end cap removal.

One Exhaust Hose Adapter (Red) is included with the Global Ocean Design Deck Purge Box (DPB-107) (sold separately).

*Care must be exercised to ensure end cap is free to move.*
